Margaret Fail (nee Carmichael) died of cancer of the liver 27 April 1894 aged 77 years and was buried 29 April at St. James', Burnopfield. Her son-in-law, R Brewis, (Jane Fail's husband) was present at her death. You have probably seen that at the time of the 91 census that Margaret was with that family at Byermoor. I did wonder if she had gone to live with them after her husband died.
